# Just Spinning My Wheels

*by Dominic Cretacci*

This month I am going to dedicate my column to not's. No, I didn't spell that incorrectly I meant not's, not knots. Just because I was a Navy Corpsman, doesn't mean I know how to tie knots. I knew how to tie one on when I was in the Navy, but that's another story not to tell.

You know, like I'm not going to say that, or I'm not going to do that, or I'm not going to listen to that, or I'm not....

Here we go Martha, Dominic has to have something up his sleeve for him to talk like that. Why don't we just not read his column....

Give him a chance, maybe he will make some sense.

Then again, maybe not.

Uh oh, I must be hanging around with Dominic too long, he's got me doing it now. OK, not's.

I'm not going to ask if everyone had a nice Christmas, I'm pretty sure ya'll did. If you didn't, let me know and I'll try not try to feel sorry for you. I did not have a bad Christmas, it was not the best one I've ever had but it was not the worst.

I'm not going to ask if you had a good New Year's celebration. If you did not get arrested driving home from (or to for that matter) a New Year's celebration, consider it as, not a bad New Year's celebration.

I'm not going to ask if you are going to this Mustang show or that Mustang show. If you want me to know you are going, you will tell me. Will you not?

I'm not going make any New Year's resolutions. Every year I make resolutions, I usually make it to January 2nd before I break at least one of them. So that being said, maybe I will make a New Year's resolution, I resolve not to make any New Year's resolutions this year.

I'm not going to complain about the economy, I'm not going to voice my opinion about the election, I'm not going to ask you who you voted for and I'm not going to continue to not.

Here we go again Martha, Dominic is not making any sense at all. I don't think I'm wrong about that but then again maybe I'm not. Dang, He got me too.

So, let me splain. No, there is too much, let me sum up.

Not, not, not. Not, not not. Not not knot.

Did I not miss anything. Oh yeah, see you on 75 doing 75, in 3rd gear.
