Well, a lot of our fine friends from up north either have left or are planning to leave soon for their fun in the sun northern style SUMMER. Meanwhile back here in the south, we had a very good meeting in April. Some ideas and plans were put into motion and we will be setting a time and place for those functions at our May 10th meeting at 7 PM in the upper sales room of Don Gasgarth's Charlotte County Ford. We also will be planning our summer agenda at this meeting. So I hope all of you fine pony folks who were left behind when our northern friends left us hot & dry, will attend. I would like to thank all of you who attended The Garage Sale & Car Show at Port Charlotte High School. I heard it was a huge success. Though most of the big shows have left us for the summer there are some pretty good local shows to attend. My car still has health issues, and I sure hope I can get to them soon and get out there to the shows with you all. So here's to all of you still in town I will see you at our club meeting May 10th. So until then my friends, drink a lot of water, use your sun screen, and try to keep cool.

I've learned....That the best classroom in the world is at the feet of an elderly person.

I've learned....That when you're in love, it shows.

I've learned....That just one person saying to me, 'You've made my day!' makes my day.

I've learned....That having a child fall asleep in your arms is one of the most peaceful feelings in the world.

I've learned....That being kind is more important than being right.

I've learned....That you should never say no to a gift from a child.

I've learned....That I can always pray for someone when I don't have the strength to help him in any other way.

I've learned....That no matter how serious your life requires you to be, everyone needs a friend to act goofy with.

I've learned....That sometimes all a person needs is a hand to hold and a heart to understand.

I've learned....That simple walks with my mother around the block on summer nights when I was a child did wonders for me as an adult.

I've learned....That money doesn't buy class.

I've learned....That it's those small daily happenings that make life so spectacular.

I've learned....That under everyone's hard shell is someone who wants to be appreciated and loved.

I've learned....That to ignore the facts does not change the facts.

I've learned....That love, not time, heals all wounds.

I've learned....That the easiest way for me to grow as a person is to surround myself with people smarter than I am.

I've learned....That everyone you meet deserves to be greeted with a smile.

I've learned....That no one is perfect until you fall in love with them.

I've learned....That life is tough, but I'm tougher.

I've learned....That opportunities are never lost; someone will take the ones you miss.

I've learned....That I wish I could have told my Mom that I love her one more time before she passed away.

I've learned....That one should keep his words both soft and tender, because tomorrow he may have to eat them.

I've learned....That a smile is an inexpensive way to improve your looks.

I've learned....That when your newly born grandchild holds your little finger in his little fist, you're hooked for life.

I've learned....That everyone wants to live on top of the mountain, but all the happiness and growth occurs while you're climbing it.

I've learned....That the less time I have to work with, the more things I get done.

Of course, I have to put my 2 cents in. I've learned....You can't polish a turd.

[What did he say Martha, is Dominic trying to pay 2 cents to polish a turd?](#)

[I thought he knew a guy who would do that for free.](#)

See you on 75 doing 75, in third gear.
