I guess you can say THE HEAT IS ON. Here we are at the end of August, meaning we are now on the backside of Summer. With the hottest times still to come, but we can stay cool because we are Pony owners. I hope that everyone has been having a great summer. We had a nice cruise to Ford's Garage and the Olympia restaurant. Time well spent with our many friends, and the food was good. We had a nice group and I thank all of you for going. As we are in our summer siesta, we did not have a meeting in July or August. Our next meeting will be on September 13th in the upper sales room of Don Gasgarth's Charlotte County Ford at 7 PM.

To all of you who went to Greenwell's Family Fun Park at on August 5th, I hope you had fun. On August 20th at 1PM we will have a cruise in to Scoops Ice Cream, located behind Lashley Crab House in Punta Gorda. This is a great place to have Ice Cream. We have been there before and know that it is good. It has been rated the #1 place in the USA for Ice Cream. So make sure you don't miss out on this one.

So with a taste for Ice Cream in your mouth, I leave you to your Summer Fun. Will see you out there on the highways and byways of life.

Have fun and go to a Car Show.

Just Spinning My Wheels

by Dominic Cretacci

I'm sure some of you are wondering why the Mustang Club of Charlotte County newsletter is coming out early. No, I did not miraculously become super organized and decide to publish the newsletter early.

What did he say Martha, is Dominic hoping for a miracle to become super organized? I'm hoping for a miracle for him to make some sense.

Now, where was I before I was so rudely interrupted. Oh yeah, the early delivery of the newsletter. Since Kathie and I will be traveling with our other Mustang club called The Great American Pony Drive I figured I'd have to publish the newsletter early.

What did he say Martha, we all know the only reason the newsletter ever gets published on time is because Kathie reminds him he has to get it done. Kathie is the catalyst, Dominic is just the conduit. And let's not forget his Proofies, Peggy Nederveld, Cathy Barrett and Dominic's lovely wife Kathie. They are the ones who put the polish on an otherwise unorganized, haphazard, unmethodical, helter-skelter willy-nilly publication. He should say a **BIG** thank you to them for their monthly contribution.

Once again, where was I before I was so rudely interrupted. Oh yeah, the early delivery of the newsletter. But before I get into that again, I want to send a special thanks to my Proofies for making me look smarter than I actually am on a monthly basis. Thank You Peggy, Cathy & Kathie.... You are da best....

Now on with the show. Kathie & I will be leaving for the Pony Drive August 22nd and are planning on returning to sunny Port Charlotte September 8th. As usual, we plan on having a wonderful time traveling with our Pony Drive friends. I will document our travels and the many interesting places we visit in subsequent newsletters.

So, let me splain, no, there is too much, let me sum up. Early newsletter, miraculously super organized, Great American Pony Drive, Thank You Proofie Girls, make me look smarter than I actually am.

Did I miss anything?

Oh yeah, see you on 75 doing 75, in 3rd gear.
